Portofino 53

Possibility to spend the night on board for up to 6 people, 3 cabins!! Real, updated photos (June 2023 photos). The yacht, with its home port in Marina Botafoch just 30 minutes from the island of Formentera, is ideal for one or two families totalling 6 (+1 child) who wish to spend several days sleeping on board with all the amenities it offers. Its length, wide beam, and perfect layout make it very comfortable. The boat has 3 cabins; those on the starboard and port sides have two single beds, plus a bathroom. At the bow is the main cabin with a large double bed and an independent bathroom. There is the possibility of adding an additional child by adapting one of the cabins. It can be stated that the Sunseeker Portofino 53 has one of the best value-for-money ratios in the boat charter market due to its functionality and versatility. The hull design and powerful shaft drive engines, along with the hydraulic hardtop sunroof that allows the boat to have an open or closed cockpit as desired, its large sundecks both at the bow and stern, as well as spacious outdoor areas, make sailing and staying on board a unique and very comfortable experience.
